Don't go Custom, think Modular!

Our Modular Access System is the latest innovative offering from Australia's #1 Ladder Brand.

This Modular Height Access System adapts to the Access Platform range (SFS13591 to SFS13594). The modular design allows the end user to customise an unlimited expandable platform length solution at variable heights that suits the desired application. This system increases efficiencies and safety in the workplace. The off the shelf solution means there is no extravagant capital investment or lengthy lead times.

Specifically designed for adaptation to Transportation industries, Aviation / Aircraft Maintenance, Manufacturing / Process Industries, Heavy Equipment Maintenance, Material Handling / Stock Picking, Warehousing and Mining Service Industries.

MODULAR ACCESS SYSTEMS SPECIFICATIONS

NEW

Benefits and Functionality

- Provides a modular extended work platform
- Configurations allow for variable height solutions up to 4 m reach
- Highly manoeuvrable and lightweight
- Cost and Time effective solution - shelf-ready
- Removable, lock in handrails for egress

Safety and Design

- Adapted to the Access Platform Range (SFS13591 to SFS13594) from walk thru configuration
- Suited to 'high frequency' use
- Foot operated 'total-brake' castors for stability
- Strong 'fully welded' design fabricated from heavy duty aluminium

Safety and Compliance

- Made to AS/NZS 1892 - Portable Ladders
- 170 kg load rate per platform module
- Industrial rated for use on commercial and industrial sites

Delivery and Assembly

- Supplied as a 'flat pack' for optimal transportation
- Standard sized fasteners and included tools for improved assembly time
- Easy to follow picture based instructions with actual size bolt template

Generic Configuration Examples

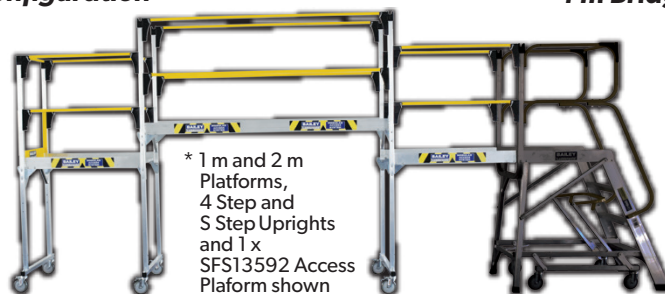

* 2 m Platform shown and 2 x SFS13592 Access Platforms

2 m Bridge Configuration*

* 1 m Platform shown and 2 x SFS13592 Access Platforms

1 m Bridge Configuration*

* 1 m and 2 m Platforms, 4 Step and 5 Step Uprights and 1 x SFS13592 Access Platform shown

Combination Variable Height 1 m and 2 m Extension Configuration *

Product Code	Description	Nominal Platform Height	Nominal Max. Reach Height	EAN Code	Nominal Weight
SFS13789	Modular Access System 1.0m Platform	N/A	N/A	9312097062238	16.5kg
SFS13790	Modular Access System 2.0m Platform	N/A	N/A	9312097062245	31.0kg
SFS13791	Modular Access System 3 Step Upright	828mm	2.8m	9312097062252	7.9kg
